New Scorecards

The new golf software includes a new scorecard, players indicate their gross score with a cross in the appropriate box, along with their written gross & stableford / net / par score for each hole in the Player area.

If you have picked up, players place a cross in the Pickup box for that hole. Scores greater than 10 may be marked by placing a cross in the +10 box, combined with another cross e.g. mark 2 and +10 to indicate 12.
